PROFESSIONAL SUMMARY

As a front-end web developer with a year of experience under my belt, I've delved into the intricacies of crafting responsive and visually appealing websites. During this time, I've honed my skills in HTML, CSS, and JavaScript, ensuring that each project I undertake meets the highest standards of quality and usability. Alongside my technical proficiency, I prioritize clear communication, effective leadership, and adept problem-solving to deliver exceptional results.

WORK EXPERIENCE

FRONT-END DEVELOPER
Coders Globe.   Jan 2023 - April 2024

- Collaborated with a team of five in-house web designers to create innovative UI design
- Authored code fixes & enhancements for inclusion in future code releases and patches

FRONT-END DEVELOPER
Coders Globe   Jan 2023 - April 2024

- Maintained the current website and added more appealing features
- Redesigned sections of the website to ensure a more attractive and user-friendly experience
- Worked with a team of five web developers and provided end-to-end solutions for 7 clients
